

Job Title: Aesthetician and Laser Technician

Clear Dermatology & Aesthetics Center has an exciting opportunity for a passionate Aesthetician and Laser Technician to join our privately-owned dermatology practice.

Our team is committed to providing the highest quality patient care and offering cutting-edge technology in a welcoming environment.

We are looking for a skilled and dedicated Aesthetician who shares our passion for offering exceptional skincare services, using research-backed methods and state-of-the-art equipment.

If you are an enthusiastic and knowledgeable Aesthetician ready to join a dynamic team and make a difference in our patients' lives, we encourage you to apply!

As our Aesthetician, you will provide our patients with a wide range of aesthetic treatments, ensuring they receive personalized care that supports their skincare goals.

Please submit a cover letter as part of your application. Applicants without a cover letter will not be considered for this position.

Responsibilities

- Conduct in-depth consultations to assess patients' skincare concerns and develop personalized treatment plans.
- Perform aesthetic treatments including facials, chemical peels, microneedling, dermaplaning, and laser services.
- Educate patients on skincare regimens and offer product recommendations to maintain results.
- Deliver an exceptional patient experience through professionalism, attentiveness, and high-quality service
- Maintain accurate treatment notes, including before and after photos for each patient.
- Build long-term relationships with patients to foster repeat business and word-of-mouth referrals.
- Stay up-to-date with the latest advancements in aesthetic techniques and technologies by attending training and professional development opportunities.
- Assist with the maintenance and organization of treatment rooms, ensuring a clean and sanitary environment at all times.

- Participate in promotional activities for the practice, such as Open House events and community outreach.
- Perform aesthetic laser treatments in accordance with established protocols and safety guidelines.
- Collaborate with team members to ensure a seamless patient experience.

Requirements

- Licensed Aesthetician and Certified Laser Technician (required) .
